### **FERROL, May 3, 2016.**

Five hundred students from Ferrolterra could cheer up the Racing de Ferrol during next Saturday's game against Racing de Santander. This is an initiative from Reganosa that will give them the tickets. With this idea the company joins the call to "Orgullo Ferrolano" released yesterday by the club's Administration Board.

Reganosa is the main sponsor of the Racing and is hoping the team can end the season moving up from category. The meeting between ferrolanos and cántabros is crucial to the ferronalsos so they can keep the first place in the 2<sup>nd</sup> League B, the game will be held on Saturday at the A Malata stadium.

The tickets will be distributed in blocks, public or private schools from Ferrol and other regions will have to request them. Schools that wish to get tickets for their students have to send an e-mail to Reganosa through the following address: [comunicacion@reganosa.com](mailto:comunicacion@reganosa.com) indicating number of seats and a contact phone number. Once the tickets are given, the Racing de Ferrol will be responsible of tacking them to each school.

Reganosa understands that with this way of giving the tickets is answering a request from the Racing de Ferrol Administration Board, who has said before Saturday's game "we need to feel all the Ferrolterra citizens' support".
